

Content Publishing Intern - GINDUMAC

Do you want to be part of a globally operating, technology- and data-driven start-up in Barcelona? Our international team from more than 12 countries is crafting the future of the billion-dollar industrial used machinery market. Join our movement and be part of building up a No.1 business from scratch.

We are currently looking for a “**Content Publishing Intern**” for our office in Barcelona supporting our team in the publishing process of machines.

GINDUMAC – Global Industrial Machinery Cluster - is an innovative, international Start-Up in the used industrial machinery trading market. We are using a state-of-the-art online platform for global trading of industrial used machinery.

Responsibilities:

As part of the content management team you are responsible for

- General support in daily operations
- Data preparation
- Media selection
- YouTube channel management
- Affiliate platform management
- Process documentation

Together with a dynamic team you are leading the publishing process to excellence.

Skills & Requirements:

- High curiosity to work in a start-up environment
- Based in Barcelona
- Student with the possibility to sign a “Convenio de prácticas”

Why working with us?

- Take part in building a business from scratch
- Be part of building a game changing marketplace in the industrial segment
- High autonomy
- Be part of a unique company with a unique working environment
- Work flexible hours
- Have space for own idea development within the business
- Work from a cool office in the district of Poblenou / Barcelona
- Full-Time and Part-Time Options

We are looking forward getting you to know. Please send us your CV and Cover Letter to **career@gindumac.com** using the subject “Content Publishing Intern”.
