

Sales Agent / Machinery Broker - Sweden- GINDUMAC

Are you looking for new business opportunities?

Work with GINDUMAC, extend your business portfolio and make easy money.

We are looking for a “Sales Agent / Machinery Broker - Sweden” to be part of our growing brokers’ network.

GINDUMAC – Global Industrial Machinery Cluster is an innovative, international Start-Up in the area of trading used production machinery. We are looking for motivated sales agents / machinery brokers who are seeking growth opportunities and are willing to go with us create and shape the Digital Future of the used machinery market. As a globally growing business we are offering attractive business opportunities.

Your job:

- Be our connector to sellers and buyers of used production machinery in Sweden
- Acquire and sell used machines out of the categories: machine tools, sheet metal, injection moulding and additive manufacturing

What we offer?

- Get attractive provisions for each sold machine acquired by you
- Room for new ideas and approaches in collaboration with the management board
- High and scalable growth opportunities
- Flexible time management
- Easy, fair and flexible partnership model: you connect, we buy and sell, everybody wins!

Your profile:

- Hands-on mentality
- Entrepreneurial spirit and negotiating skills
- High determination and proactivity
- Native Swedish level and high level of English
- Knowledge of sheet metal and injection moulding machines desirable

Why you shouldn't miss this:

- High growth opportunities
- Scalable business perspective
- Participate in building a game changing trading model in the industrial market
- Be part of a motivated team with a unique business philosophy
- Enrich your business portfolio by a prosperous future model

We are looking forward to getting to know you.
