

Web/Graphic Design Intern - GINDUMAC

Are you looking for new business opportunities?

Work with GINDUMAC and be part of a revolutionary trading model.

Want to be part of building a revolutionary secondhand market from the ground up?

Join GINDUMAC. We are looking for a **“Web/Graphic Design Intern”** for our office in Barcelona to be part of our growing team!

GINDUMAC – Global Industrial Machinery Cluster is an innovative, international Start-Up in the area of trading used production machinery.

We are currently looking for a motivated Web/Graphic Design Intern working directly with our CPO on new web designs for our online platform and graphic designs for corporate communications.

Main Responsibilities

- Web Designs
- User Flow Designs
- UI/UX Designs
- Social Media Visuals
- Collateral Material Design
- Corporate Creatives

Skills & Requirements:

- High passion for web and graphic design
- High curiosity to work for an international start-up
- Very good skills in Adobe Photoshop, Illustrator and InDesign
- High determination and proactivity
- Very good communication skills
- Fluent English skills

Why you shouldn't miss this:

- Be part of building a business from scratch
- Be part of building a game changing marketplace in the industrial segment
- Be part of a unique company with a unique working environment
- Flexible working hours
- High responsibility directly from the beginning
- High learning curve
- Space for own idea development within the business
- Work from a cool office in the district of Poblenou / Barcelona

We are looking forward to getting to know you! Please send us an email with **Cover Letter and CV** to career@gindumac.com using the subject **“Web/Graphic Design Intern - GINDUMAC”**.
